# 霊山暁光

阿武隈山系のゆるやかな山並みの中に奇岩怪石がそそり立ち、ひときわ威容を誇る霊山。朝日が、山あい立ちこめる雲海をうすむらさきに染めあげると、辺りはさらに神秘的な様相となります。

*Morning Twilight of Ryozen Mountain*  
Ryozen mountain with dignity has strange-shaped rocks in the smooth mountain system of Abukuma. When the morning sun makes cloud sea around the mountain light purple, the area becomes more and more mysterious.
