

河東中学校長挨拶

河東中学校長 高梨 光一
Principal of the Kawahigashi Junior High School Koichi Takanashi

本校は、福島県会津若松市に隣接する河東町の高台にあり、緑豊かな会津平野を見渡すことができます。

This school is located on the high ground in the Kawahigashi-town, next to the Aizu-Wakamatsu-city. It has a fine view of the Aizu Plain, which is abundant in nature.

1999年度から、町内の3つの小学校と本校で学校教育国際化事業に取り組み、●文化理解 ●英語教育 ●コンピュータ教育の3つの分野に分けて、国際理解教育を推進しています。

Our school has been engaged in the school education international project with the 3 elementary schools in our town from the year of 1999. We are promoting the 3 fields of the cultural understanding, the English education, and the computer education for the international understanding education.

その取り組みの中で、電子メールやTV電話による国内外の学校との交流を図り、異文化理解や国際化を身につけようと試みているところです。

In those engagements, we are expecting to acquire the inter-cultural understanding and internationalization by communicating with domestic and foreign schools by e-mail and TV phones.

まだ、始まったばかりで充実した実践はなされていませんが、生徒をはじめ全職員で意欲的に取り組んでいます。

Although it hasn't been carried out sufficiently since it was just started, the students and all the staff are devoting into the project.

先進校からの情報や交流を通して国際理解教育を進めていきたいと思っておりますので、よろしくお願ひします。

We would like to proceed the international understanding education through the information and communication from advanced schools.

Thank you very much.
