

豊かさを創造する田園都市の 骨格をつくる

WE MAKE FRAMEWORK OF GARDEN CITY THAT BRINGS AFFLUENCE

大野駅周辺において特色あるまちづくりを実現するため、「顔のあるまちづくり」を進めています。JR大野駅、ホテル「ステーションプラザおおくま」を整備し、商店街の活性化につながる近代的な魅力あるまちづくりを図りながら、町民一人ひとりの暮らしの向上を推進しています。

We are moving forward with the development of our town that has a face so as to enable advantageous development in the vicinity of Ono Station. We have perfected JR Ono Station and Hotel (Station Plaza Okuma), and we are now trying to upgrade the living standard of individual townspeople while planning the modern and attractive development of the town, making the shopping center much busier than ever.
