WE CREATE A SAFE, PLEASANT AND COMFORTABLE LIVING ENVIRONMENT

町営住宅  
Town-operated housing

定住意向の促進と魅力ある居住環境の整備に向けて、町営住宅の整備にも力を入れています。また、きれいで住みよい豊かな生活環境をつくるために、道路・公園・上下水道の整備、交通安全や防災に取り組んでいます。

さらに、地域における生活環境、衛生環境の向上を図るために、リサイクル運動やまちの環境美化に対しても積極的に取り組んでいます。

We also emphasize the maintenance of municipal housing to increase the number of permanent residents and to maintain a living environment that can attract them. What's more, we are grappling with the maintenance of roads, parks, water and sewerage services, traffic safety, and protection against disasters in order to create an immaculate, comfortable, and affluent living environment. In addition, we are also actively carrying out a recycling campaign and the environmental beautification of our town to improve the living and hygienic environment in the area.
