町民の生涯にわたる健康の保持増進を図り、健康管理体制の充実を福祉、医療体制との連携で総合的な健康づくりを推進しています。

■ 活気に満ちた健康づくりの環境の整備

- スポーツ活動の振興
- レクリエーション活動の振興

スポーツやレクリエーションを楽しむために施設の整備を図り、健康づくり運動を展開するとともに健康なお年寄りが生きがいを持って暮らせる環境づくりを進めます。

■ 町民が安心して暮らせる社会保障制度の充実

- 国民健康保険
- 国民年金

国民健康保険の財政運営の健全化と、普及を図り、社会保障制度の一層の充実に努めます。

We take the initiative to perfect the preservation of health, medical treatment and welfare services, and we are creating a healthy welfare community, in which all of the townspeople can live into old age in good health.

- Perfection of welfare
- Perfection of regional welfare
- Perfection of social welfare

Both the community and the municipal administration have been united to promote the welfare system to let all the townspeople enjoy a life worth living in good health.

■ Perfection of health preservation and medical treatment system

- Perfection of health preservation service
- Establishment of medical treatment system

We are going ahead with a comprehensive health-preservation project as well as the perfection of the health care system in cooperation with welfare and medical treatment systems to improve and maintain the townspeople's health.

■ Improvement of environment for good health full of life

- Promotion of sports activities
- Promotion of recreation activities

We plan to improve facilities to let people enjoy sports and recreation and develop various exercises for health, and at the same time, we are improving the environment to let the aged lead a life worth living.

■ Perfection of social insurance systems for townspeople's life in peace

- National health insurance
- National pension

We plan to make the financial management of the national health insurance system far sounder and try to perfect the social security system.
