I.美しい環境を守り、育てあう

Protecting a Beautiful Environment, Maturing Together 保護、培養美好的環境

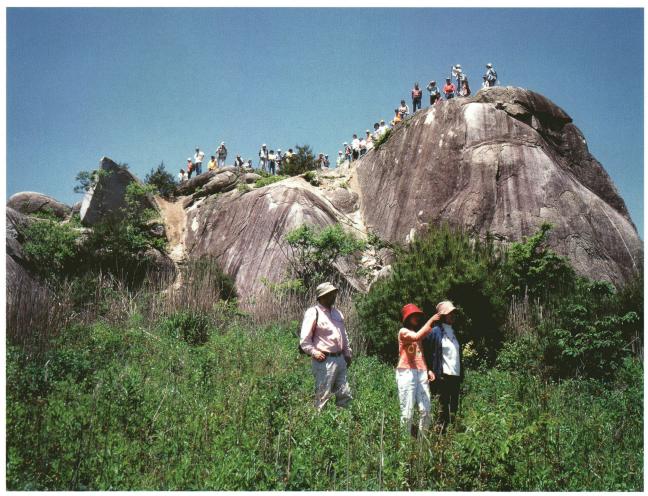

四季折々の変化に富んだ恵み豊かな自然環境を、将来にわたって美しい姿のまま引き継ぐことが必要です。地球全体の環境保全を視野に入れながら、一人ひとりが環境に負荷の少ない行動に取り組みます。

Iwaki is blessed with a natural environment that displays the changing seasons in wealth and abundance. This beauty needs to be preserved and passed onto our future generations. Promoting the goals of local and global environmental preservation, each individual shall be conscious that activities undertaken will not be a burden on the environment.

我們要將豐富的四季應時變化、豐富的自然環境完美無缺地保持到未來,傳給後人。重視整個世界的環境保護,從每個市民作起,減少環境的負荷。
