

INDEX OF FAMILIES AND GENERA

A		
Abelia ······347	Ailanthus ······286	Aneuraceae ······104
Abies ······163	Ainsliaea ······354	Aneura ······104
Abietinella ······131	Aizoaceae ······245	Angelica ······309
Abutilon ······297	Ajuga ······330	Angiospermae ······166
Acalypha ······286	Akebia ······255	Anoectangium ······116
Acanthaceae ······343	Alangiaceae ······305	Anomobryum ······121
Acanthopanax ······307	Albizia ······277	Anomodon ······131
Aceraceae ······291	Aletris ······212	Antenoron ······239
Acer ······291	Alismataceae ······169	Anthemis ······355
Achillea ······354	Alisma ······169	Anthocerotaceae ······106
Achlys ······255	Allium ······212	Anthocerotae ······106
Achnatherum ······177	Alnus ······230	Anthoxanthum ······178
Achyranthes ······244	Alobiellopsis ······97	Anthriscus ······310
Aconitum ······249	Alopecurus ······178	Apios ······277
Aconogonum ······239	Amaranthaceae ······244	Apocynaceae ······326
Acorus ······207	Amaranthus ······244	Apometzgeria ······105
Acrolejeunea ······102	Amaryllidaceae ······219	Aquifoliaceae ······288
Actaea ······250	Amblystegiaceae ······134	Aquilegia ······251
Actinidiaceae ······297	Amblystegium ······134	Arabidopsis ······259
Actinidia ······297	Ambrosia ······354	Arabis ······259
Actinostemma ······351	Amelanchier ······269	Araceae ······207
Acystopteris ······151	Amitostigma ······221	Arachniodes ······151
Adenocaulon ······354	Ammannia ······304	Araliaceae ······307
Adenophora ······352	Amorpha ······277	Aralia ······308
Adiantum ······149	Ampelopsis ······296	Archilejeunea ······102
Adonis ······250	Amphicarpaea ······277	Arctericia ······316
Adoxaceae ······350	Amsonia ······326	Arctoa ······113
Adoxa ······350	Anacamptodon ······130	Arctous ······316
Aeginetia ······341	Anacardiaceae ······288	Arenaria ······245
Aegopodium ······309	Anaphalis ······355	Arisaema ······207
Aeschynomene ······277	Anastrophyllum ······93	Aristolochiaceae ······238
Aesculus ······294	Ancistrocarya ······328	Aristolochia ······238
Agastache ······330	Andreaeaceae ······108	Armoracia ······260
Agrimonia ······269	Andreaea ······108	Arnica ······355
Agropyron ······177	Andromeda ······315	Arrhenatherum ······178
Agrostis ······177	Andropogon ······178	Artemisia ······355
	Anemone ······250	Arthraxon ······178
	Anemoneopsis ······251	Aruncus ······269
